PUBLIC NOTICE TO ALL NGOs AND CSOs TANZANIA.

REF: CALL FOR THE POTENTIAL NON GOVERNMENTAL ORGANIZATIONS (NGOS) TO BE IDENTIFIED FOR PARTNERSHIP IN LINE WITH USAID'S COUNTRY DEVELOPMENT COOPERATION STRATEGY (CDCS) SUPPORTING HEALTH, EDUCATION, ECONOMIC GROWTH/LIVELIHOODS AND GOVERNANCE IN TANZANIA

The National Council of NGOs Tanzania (NaCoNGO) received a request from the Economic and Social Research Foundation (ESRF) to identify potential Non-Governmental organizations (NGOs) to work as partners with USAID/Data for Development project.

The Economic and Social Research Foundation is an independent policy research tank in Tanzania established in 1992 and effectively started its operation in 1994, ESRF advances knowledge to save the public, the Government, CSOs, and the public sector through sound policy research, capacity development initiatives, and advocating good development management practices. Among the assignment undertaken recently including mapping of non-state stakeholders who are engaged in support youth and women groups in the country conducted in 2018 for the National Economic Empowerment Council (NEEC)

Drawing on their experience with CSOs activities in difference regions, USAID/Data for Development has subcontracted ESRF to gather information to identify and map potential USAD partners across sectors in alignment with the USAID CDCS, To contact this mapping activity, NaCoNGO has been informed that ESRF will reach out to

umbrella organization and their memberships, including non-state actors (NSAs) to determine who among them have institutional capacities and capabilities to work as partners with USAID

This letter, therefore, calls for all interested and potential Non-Governmental organizations to submit the applications indicating their contact details, organization profiles, by filling in the following Google form <https://forms.gle/4EjzKP6y9CXXMz5CA> The deadline for receiving applications is 10 June 2021.

For further details, kindly contact, Secretary-General – NaCoNGO

Yours Faithfully
